

Intel® Skills for Innovation

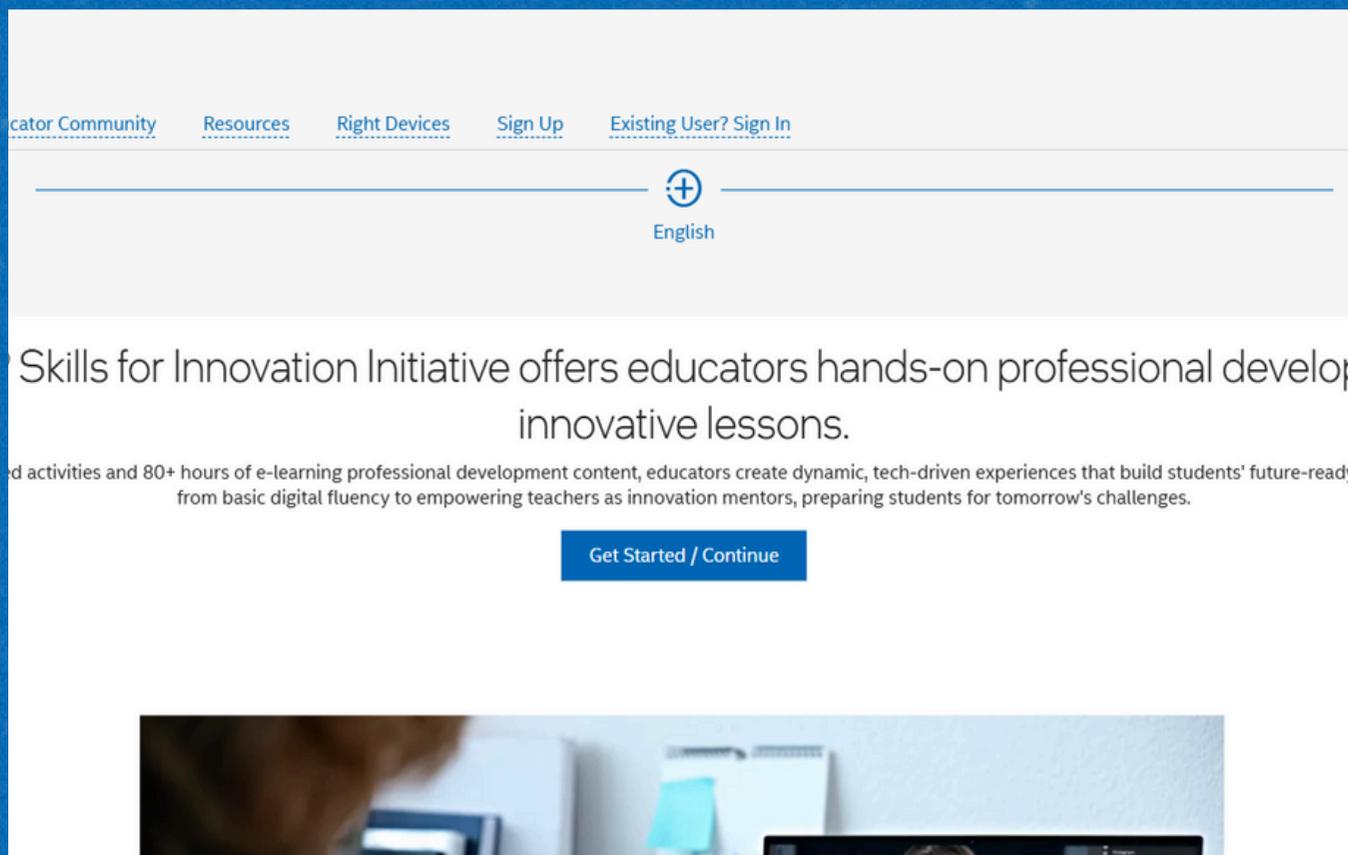

Ready to Rethink What Learning Looks Like?

Join the Intel Skills for Innovation (SFI)
educator community.

Explore real-world, future-ready resources
built to empower your teaching.

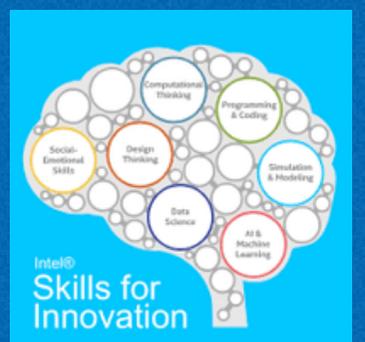

Intel® Skills for Innovation

Step 1: Visit the Platform

Go to [_skillsforinnovation.intel.com](https://skillsforinnovation.intel.com)

Click "Get Started/Continue" to begin your journey.

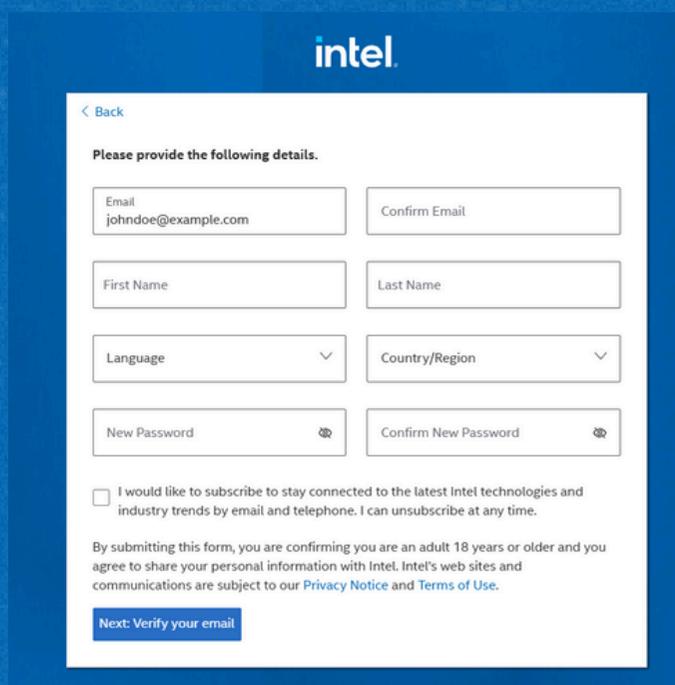

Intel® Skills for Innovation

Step 2: Fill Out the Form and Verify Your Email

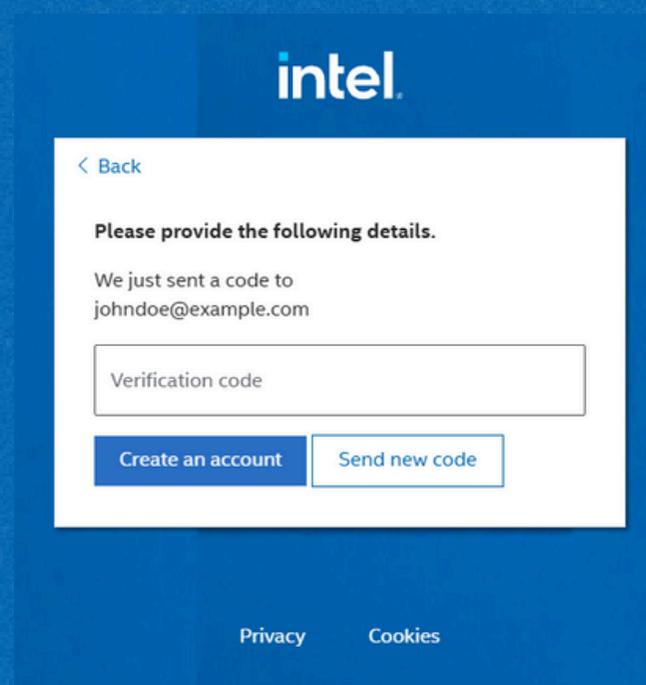

You'll receive a 6-digit code via email once you fill out the form

Enter it to confirm your registration.

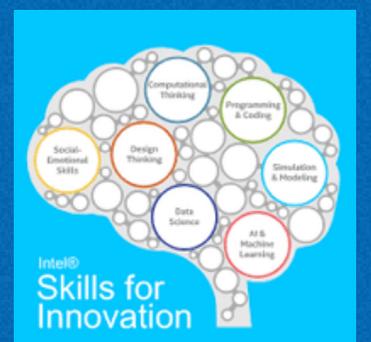

The screenshot shows the Intel registration form. At the top is the Intel logo. Below it is a back arrow and the text "Please provide the following details." The form contains several input fields: "Email" (with "johndoe@example.com" entered), "Confirm Email", "First Name", "Last Name", "Language" (a dropdown menu), "Country/Region" (a dropdown menu), "New Password" (with a strength indicator), and "Confirm New Password" (with a strength indicator). There is a checkbox for "I would like to subscribe to stay connected to the latest Intel technologies and industry trends by email and telephone. I can unsubscribe at any time." Below the checkbox is a paragraph of terms and conditions. At the bottom is a blue button labeled "Next: Verify your email".

Fill out this form

The screenshot shows the Intel verification code screen. At the top is the Intel logo. Below it is a back arrow and the text "Please provide the following details." The screen displays "We just sent a code to johndoe@example.com" and a large input field for the "Verification code". Below the input field are two blue buttons: "Create an account" and "Send new code". At the bottom of the screen are links for "Privacy" and "Cookies".

Enter the
verification code
